Having lived and worked in Abu Dhabi and Dubai from 2004 - 2005 after finishing her law studies, Carla Everhardt was admitted as Attorney at Law in Germany in 2005. Returning to her home country, she joined Roedl & Partner in 2006. Already being a renowned specialist in International Business Law with a focus on the MENA region, she was assigned Head of the Legal Consultancy Middle East at the Nuremberg headquarters.

Right from the beginning of her legal career, Carla Everhardt focused on the establishment of German and European investments in the Middle East, advising clients upon market entry, investment and restructuring projects in a region with complex legal and tax structures that require profound expertise, intercultural competence and high-level professional experience alike. Carla Everhardt meanwhile turned back to her home city, supporting our clients from the Roedl & Partner Cologne office.
